The owners and all subsequent owners are directed to RSA 236:13

The owners of the property To which the access is appurtenant shall have continuing responsibility for the adequacy of the access and any grades, culverts, or other structures pertaining to such access, whether or not located in the public right of way. If any such access is or becomes a potential threat to the integrity of the highway or it's surface, ditches, embankments, bridges, or other structures, or a hazard to the safety of the traveling public, by reason of situation flooding, erosion, frost action, vegetation growth, improper grade, or the failure of any culvert, traffic control device, drainage structure, or any other feature, the Road Agent or planning board or their designee may issue an order to the landowner or other party responsible for such access to repair or remove such hazardous condition and to obtain any and all permits required ---

I certify that I have read and understand the application and of the provisions, herein. In the event that I fail to comply with Town Policies and regulations, I accept all responsibility and liability that may be imposed to bring compliance, including any cost and/or fines.
