Approval of Minutes

The minutes of the April 14, 2017 and the June 12, 2017 meeting were approved.

Business

Matt and Mike Hogan spoke with Charlie Brown regarding the toilet usage at the Piermont Inn, now that it is closed. The bathrooms will continue to be operational. It was agreed that the Browns will pay the full debt service portion of the sewer bill, but will be charged .75 for the use and maintenance portion. This is a 50% reduction from the seasonal rate applied to their Inn. This was discussed and approved by the advisory committee.

At 7:25 pm the Hogans were dismissed from the meeting. As the only voter present, Mary Ellen Treadway stated that she would like to see Matt and Joanne Hogan reimbursed, without having the sewer members pay for it. It is a civil issue. The company, Westan(?) that signed off on the work is out of business.

The Hogans rejoined the meeting at 8 pm. Joanne Hogan noted that in the Town of Piermont Annual report for 2016, the budget exceeded the expenditures by \$6478.00. The budget exceeded expenditure in previous years as well. This will be examined by the Piermont Board of Selectmen.

Matt Hogan adjourned the meeting at 8:12 pm. The next meeting date and location are to be determined.
