

Draft Minutes
Board of Selectmen
Tuesday October 25, 2016

Select Board members present:
Randy Subject, Colin Stubbings, Teran Mertz

The meeting was called to order @ 7:01 pm by Chairman Subject. The meeting will be recorded for the purpose of accurate minutes.

Mr. Marvin led us in the Pledge of Allegiance.

Department Head Update:

EMD- Bernie Marvin submitted his final report relative to the ambulance response project. It is up to the Board now to make decisions and put a policy in place. The next Hazard Mitigation Meeting is scheduled for November 7th. It is open to the public.

Road Agent- Frank Rodimon reported the plow frames are on the trucks and ready to go, just in case. They have gotten a load of salt in. The installation of the new water line started on Monday. The distribution box is in, but not connected yet. The project is on schedule to be completed at the end of the week. Church Street has been shouldered and the work is complete.

Police Department- Chief Hebert reported that September Blotter and Stats are on the sidebar of the Police Department webpage. Chief Hebert has received his patrol rifle, but is still waiting for the new optics. He has purchased a set of winter tires for the cruiser and will be rotating the tires seasonally.

There has been another report of loose cows on Route 25. Currently there is a policy for loose dogs, but not other types of animals. Maybe it is time to have a policy in regards to loose animals, other than dogs.

Safety Committee- Police Chief Hebert, Chairman of the Safety Committee, discussed the issue regarding Fox Run Rd and the school bus route. Currently, the school bus is backing down Fox Run Rd into Route 25C. This poses a significant safety concern for the kids, the bus, and traffic on Route 25C. The issue has been brought up at a School Board Meeting, but no decision has been made. The issue is between the School Board and the bus company, the Board of Selectmen has no authority over the school bus route. Chief Hebert agreed to attend a School Board Meeting in an effort to mediate between the bus company and the School Board so that a decision will be made.

Due to an incident that occurred in the Town Clerk's Office, Chief Hebert made a recommendation to install a locking door separating the Town Clerk's Office from the Selectmen's Office. Access will be limited to those that are authorized by the Town Clerk, so this will limit access to the restroom located in the library. Chief Hebert recommends updating the Building Access Policy to reflect the change in access to the Town Office Building. Bernadette Ratel, Town

Clerk, asked the Board to limit access to her office by allowing the new door to be installed. Chairman Subject suggested the topic of updating the policy for access be tabled until the Work Session on November 3rd. The Town Clerk asked which budget will cover the cost of the new door. Selectman Stubbings replied the cost of the door will come from Town Buildings and Grounds. The recommendation for the installation of a door between the Town Clerk's Office and the Selectmen's Office was agreed upon by the Board.

Fire Dept. – Chief Bruce Henry gave his department report. They've had 26 calls so far this year. Chief Henry and Peter Trapp attended the department's 2nd successful Safety Day at Aubuchon's in Bradford, VT. Fire pond maintenance is ongoing; Tim Cole started clearing the brush at the Four Corners Pond. They had a drill there using small pumps. The Church Street Fire Pond will need to be cleaned out as well. The budget for the upcoming year is being worked on. Although the fire department is in the process of applying for a grant, the budget will include money to cover the cost of new equipment if they do not receive the grant.

Due to the very dry conditions, there are some homes in Piermont that are out of water. There is a faucet on the back corner of the Fire Station by the door for anyone that needs water.

Cemetery Trustees- Abby Metcalf provided the Board with a copy of the information that will be included in the ad to be placed requesting bids for the Cemetery Maintenance Contract. Mrs. Metcalf stated the ad will run for two weeks in the Bridge Weekly. Selectwoman Mertz requested that it appear in the Journal Opinion as well. The ad will run in both papers for two weeks.

Treasurer- Heather Subject gave the Board the September Monthly Report. Deputy Treasurer, Diane Kircher was sworn in today by the Town Clerk. She will begin her training as soon as possible.

Town Grounds- John Metcalf reported that all mowing is done and all that is left to do is leaf clean-up. There is a dying maple tree on the side of the Town Office parking area that should come down. Mr. Rodimon, Road Agent, agreed to assist in the removal of the tree. It was not possible to get a sample of the pool from the dirt/sand that was there. It may be possible to get a sample in the spring. The ballfield did not get cleaned up due to the delay in getting the Roundup Policy approved and signed by the Board.

Closed landfill just needs work on the fence and to flag the test and vent pipes. The bush hogging was done the second time inside the fence at the top of the landfill.

The mowing and trimming of the cemeteries is complete. All work at the cemeteries is complete except for Cedar Grove. There are a few trees to take care of. There was an issue with a lot being bought/sold, but with the help of Fred Shipman it has been sorted out.

The Sewer System was flushed, and manhole inspections were done in preparation for winter.

There have not been any issues. Jay's Septic pumped the primary and secondary siphon tanks. Jay's Septic is anticipating an increase of \$100 per tank next year. Mr. Metcalf will look into costs with other companies.

Bookkeeper- Susan was unable to run an updated financial report. She will have it available for the next meeting.

Transfer Station- Wayne Godfrey submitted his monthly report for the Board. Chairman Subject read it in Mr. Godfrey's absence. Mr. Godfrey added a "Thank you" to the Piermont Plant Pantry for the use of a trailer during the Hazardous Waste Collection Day.

Zoning Administrator- Terry Robie discussed a form regarding building permits and residential construction and demolition in the town. Jen Rugar will call the number on the form and find out more information as to the requirements of the filing of the form. Mr. Robie requested to have a Non-Public Session after the meeting. He was given a form to look at to see if his reason for requesting a Non-Public Session falls under one of the legal requirements.

Approve Manifest- The manifest was reviewed and signed by the Board.

Old Business- None

New Business-

The Forest Fire Warden/Deputy Reappointment form will be reviewed at the Work Session scheduled for November 3rd to allow Forest Fire Warden to have it signed by his boss.

Excavation Tax Warrants for Walter Gladstone Map R 09 Lot 20 and Stacey Thomson Map R02 Lot 03 were reviewed and signed by the Board. They will be submitted to the Tax Collector for processing.

Assessing Contract – Selectwoman Mertz would like to know the status of letters sent to solicit bids from other assessing companies, as well as what assessing companies the surrounding towns use. Selectwoman Mertz suggested the BOS look at surrounding towns to see what assessing companies are being used and if they are satisfied with the results. Selectwoman Mertz further stated that residents in Piermont are not happy with Avitar Assessing and the bottom line is the Board works for the people. Jen Rugar stated that she will look into it and let the Board know prior to the Work Session scheduled for November 3rd.

Junk Yard Properties- Selectwoman Mertz would like to have the Board of Selectmen send a general letter to all residents encouraging owners to clean up their properties before the Board has to get involved. After some discussion between the Board and members of the public, it was decided to look at this again on November 3rd at the Work Session.

Public Input- Rob Elder presented a petition to Selectwoman Mertz asking for her resignation. The petition is signed by 30 registered voters in the Town of Piermont. Selectwoman Mertz responded by stating that she has no intentions of resigning. The petition is attached.

Selectwoman Mertz asked to make a statement unrelated to the petition, prior to the approval of minutes, since many people leave rather than sit through the minutes. Selectwoman Mertz stated that she cannot go into Non-Public Session because she has been threatened during a Non-Public Session in the past. Bernadette Ratel, Town Clerk, asked if that meant she was giving up her right to vote during a Non-Public Session. Chairman Subjeck stated that it is her choice and the remaining two Board members do make a quorum so a vote can take place if needed.

Approve Minutes- Minutes from the October 11, 2016 were reviewed. They were tabled until the Work Session scheduled for November 3rd to allow Jen Rugar to review the audio recording and clarify a statement made by Selectwoman Mertz.

Non-Public Session – none. The resident that had requested a Non-Public Session had left.

Motion to Adjourn – Selectwoman Mertz made a motion to adjourn regular meeting. Chairman Subjeck seconded the motion. Motion passed 3-0. Meeting adjourned at 9:12 PM.
