**FREE to residents from** Claremont, Cornish, Enfield, Goshen, Hanover, Lebanon, Lempster, Lyme, New London, Newbury, Newport, Orford, Piermont, Plainfield, Springfield, Sunapee, Unity, Washington, and Wilmot. Others residents and businesses welcome for a fee. ANYONE with 25 gallons or more or any business must pre-register by calling number below.

**WHAT TO BRING:**
- Pesticides, Herbicides, Flea Powder
- Antifreeze, Dirty Gas & Kerosene
- Adhesives & Driveway Sealer
- Mercury Thermostats & Thermometers
- Householder Cleaners & Polishes
- Hobby & Pool Chemicals,
- Lead Fishing Tackle, Smoke Detectors
- Oil-Based Paint (not Latex!)
- Solvents, Varnishes, Stains
- Button, Ni-Cad, Lithium, and Rechargeable Batteries
  …And much more...give a call or visit [http://hhw.uvlsrpc.org](http://hhw.uvlsrpc.org)

**WHAT NOT TO BRING:**
- Alkaline batteries: Most non-rechargeable batteries (AA, AAA, C, D, and 9-volt) are trash in NH. If in doubt, just bring to collection. Tape 9-volt terminals before disposal.
- Ammunition and explosives: State Police at 271-3636.
- Asbestos: Get a licensed asbestos specialist. Asbestos is hazardous to your health—don’t even think about removing it yourself!
- Automotive batteries: Take to parts store for cash back or your transfer station
- Empty aerosol cans: Can be recycled with scrap metal. Talk to your town.
- Fluorescent lights: May be taken at your town facility. Check with your town.
- Food Co-ops and Home Depot may take CFLs (spiral bulbs), not tubes.
- Latex paint: Use kitty litter, sawdust, or shredded paper to dry out latex paint; throw in your trash. Empty, dry metal cans may be recycled as scrap metal at your recycling facility. If it says “clean up with soap and water,” it’s latex.
- Medicine: See [www.twinstatesafemeds.com](http://www.twinstatesafemeds.com) for police stations taking meds.
- Medical sharps: Place in a rigid container (e.g. detergent bottle), seal cap with duct tape, and label container with marker, “Sharps, not for recycling.” Dispose of with regular trash by handing to a waste collector—can become a projectile if compacted in trash. *Lebanon Police Station accepts some sharps.*
- Propane or helium tanks and fire extinguishers: Propane/helium tanks can be exchanged/refilled at a distributor; or contact town transfer station about empty tanks. Empty fire extinguishers can be recycled (NRRA takes from towns).
- Used motor oil: Take to town transfer station or a service station for recycling.

**May 2 9am-Noon—Lebanon High School, 195 Hanover Street (off Route 120)**
