## WHAT TO BRING:

Pesticides, Herbicides, Flea Powder  
Antifreeze, Dirty Gas & Kerosene  
Adhesives & Driveway Sealer  
Mercury Thermostats & Thermometers  
Household Cleaners & Polishes  
Hobby & Pool Chemicals,  
Lead Fishing Tackle, Smoke Detectors  
Oil-Based Paint (not Latex!)  
Solvents, Varnishes, Stains  
Button, Ni-Cad, Lithium, and  
Rechargeable Batteries  
...And much more...give a call or  
visit <http://hww.uvlsrpc.org>

**Alkaline batteries:** Most non-rechargeable batteries (AA, AAA, C, D, and 9-volt) are trash in NH. If in doubt, just bring to collection. Tape 9-volt terminals before disposal.

**Ammunition and explosives:** State Police at 271-3636.

**Asbestos:** Get a licensed asbestos specialist. Asbestos is hazardous to your health—don't even think about removing it yourself!

**Automotive batteries:** Take to parts store for cash back or your transfer station

**Empty aerosol cans:** Can be recycled with scrap metal. Talk to your town.

**Fluorescent lights:** May be taken at your town facility. Check with your town.

Food Co-ops and Home Depot may take CFLs (spiral bulbs), not tubes.

**Latex paint:** Use kitty litter, sawdust, or shredded paper to dry out latex paint; throw in your trash. Empty, dry metal cans may be recycled as scrap metal at your recycling facility. If it says "clean up with soap and water," it's latex.

**Medicine:** See [www.twinstatesafemeds.com](http://www.twinstatesafemeds.com) for police stations taking meds.

**Medical sharps:** Place in a rigid container (e.g. detergent bottle), seal cap with duct tape, and label container with marker, "Sharps, not for recycling."

Dispose of with regular trash by handing to a waste collector—can become a projectile if compacted in trash. *Lebanon Police Station accepts some sharps.*

**Propane or helium tanks and fire extinguishers:** Propane/helium tanks can be exchanged/refilled at a distributor; or contact town transfer station about empty tanks. Empty fire extinguishers can be recycled (NRRRA takes from towns).

**Used motor oil:** Take to town transfer station or a service station for recycling.
