</tr>
<tr>
<td>Sat, October 1 9am-Noon</td>
<td>Lebanon High School, 195 Hanover Street</td>
</tr>
</tbody>
</table>

**Saturday, May 7: 9-11am — 2 HOURS ONLY**

**Piermont Transfer Station, Bedford Road**

---

### WHAT TO BRING:
- Pesticides, Herbicides, Flea/Tick
- Antifreeze, Dirty Gas & Kerosene
- Adhesives & Driveway Sealer
- Mercury Thermostats & Thermometers
- Household Cleaners & Polishes
- Hobby & Pool Chemicals
- Lead Fishing Tackle, Smoke Detectors
- Oil-Based Paint (not Latex!)
- Solvents, Varnishes, Stains
- Button, Ni-Cad, Lithium, and Rechargeable Batteries

### WHAT NOT TO BRING:
- **Aerosol cans, empty:** Recycle with scrap metal. Talk to your town. (Bring cans with product in them to collection.)
- **Ammunition and explosives:** State Police at 271-3636.
- **Asbestos:** Get a licensed asbestos specialist. Asbestos is hazardous to your health—don’t remove it yourself!
- **Batteries, alkaline:** Most non-rechargeable batteries (AA, AAA, C, D, and 9-volt) are trash in NH. If in doubt, just bring to collection. Tape 9-volt terminals before disposal to avoid fire in your trash!
- **Batteries, automotive:** Take to parts store for cash or your transfer station
- **Fire extinguishers:** Recycle empty extinguishers (NRRA takes from towns).
- **Fluorescent lights:** May be taken at your town facility. Check with your town. Food Co-ops and Home Depot may take CFLs (spiral bulbs), not tubes.
- **Latex paint:** Use kitty litter, sawdust, or shredded paper to dry out latex paint; throw in your trash. Empty, dry metal cans may be recycled as scrap metal at your recycling facility. If it says “clean up with soap and water,” it’s latex.
- **Medical sharps:** Place in a rigid container (e.g. detergent bottle), seal cap with duct tape, and label container with marker, “Sharps, not for recycling.” Dispose of with regular trash by handing to a waste collector—can become a projectile if compacted in trash. **Lebanon Police Station accepts some sharps.**
- **Medicine:** See www.twinstatesafemeds.com for police stations taking meds.
- **Propane or helium tanks:** Propane/helium tanks can be exchanged/refilled at a distributor; or contact town transfer station about empty tanks.
- **Used motor oil:** Take to town transfer station or a service station for recycling.

**FREE to residents from** Claremont, Cornish, Enfield, Goshen, Hanover, Lebanon, Lempster, Lyme, New London, Newbury, Newport, Orford, Piermont, Plainfield, Springfield, Sunapee, Unity, Washington, and Wilmot. Other residents and businesses welcome for a fee. ANYONE with 25 gallons or more must pre-register by calling number below. Any Business 2-week pre-registration.
