Budget Hearing

Selectboard members present: Colin Stubbings, Randy Subject, and Donald Mitchell

Chairman Stubbings started the meeting at 7:10 PM

Tim Cole led in the Pledge of Allegiance.

Chairman Stubbings explained the 2018 revenues budget summary and clarified that some of the revenues were last year's property taxes due to the late billing. Chairman Stubbings stated the figures should come from BMSI, but those figures need to be reviewed because it appears some revenues are missing. The figures provided have come from the Tax Collector and Town Clerk.

Chairman Stubbings went through the revenues report in detail. Several questions were asked by the public. Chairman Stubbings answered the questions and clarified where necessary.

Chairman Stubbings then went through the 2017 expenditure report and proposed 2018 budgets for the various departments with some comments from members from the public. There were several comments and questions regarding expenses that were responded to by Chairman Stubbings.

There was a discussion regarding the need for a new building and how to fund it in the future. A suggestion was made to change the use of funds from the Recreational Facility ETF to be used towards a new building; a show of hands supported this idea.

There were questions regarding the encumbrances for 2017. Chairman Stubbings responded to the questions and noted areas that need review due to possible errors.

The meeting ended at 9:47 PM.
