

TOWN OF PIERMONT

BUILDING PERMIT INSTRUCTIONS

REQUIREMENTS FOR NEEDING A BUILDING PERMIT

- Any new permanent structure on lot.
- Any renovation of a structure that increases original footprint.

Upon receipt of the Building Permit Application and the 75-dollar fee the Zoning Administrator will check the project to verify that it meets the Town's Zoning Requirements.

Note that all projects should be done in accordance with the New Hampshire Building Codes but will require actual inspection by the State Fire Marshall or their designee only for Commercial projects or dwellings with more than 2 units. Notification of this type of project will be the responsibility of the contact person or agent.

No construction shall begin until the application is approved.

Once the Permit is approved, the contact person will display a copy in a weather protected manner on the project site.

Note: RSA 676:7 provides that any individual failing to secure an approved building permit shall be subject to a civil penalty of \$275 per day and may be guilty of a misdemeanor or a felony.
