Piermont Transfer Station, Bedford Road

FREE to residents from Claremont, Cornish, Enfield, Goshen, Hanover, Lebanon, Lempster, Lyme, New London, Newbury, Newport, Orford, Piermont, Plainfield, Springfield, Sunapee, Unity, Washington, and Wilmot. (Other towns' residents welcome for a fee)

ANYONE with 25 gallons or more and all businesses must pre-register by calling UVLSRPC two weeks before event

WHAT TO BRING:

- Pesticides & Herbicides, Flea/Tick Treatments
- Antifreeze, Dirty Gas & Kerosene
- Adhesives & Driveway Sealer
- Mercury Thermostats/Thermometers
- Household Cleaners & Polishes
- Hobby & Pool Chemicals
- Lead Fishing Tackle
- Smoke Detectors
- Oil-Based Paint (NOT LATEX)
- Solvents, Varnishes, Stains
- Batteries: Button, Ni-Cad, Lithium, Rechargeable (NOT ALKALINE)

Vape pens and other oddball items
require pre-registration

WHAT NOT TO BRING

- Aerosol cans, empty:** Recycle with scrap metal. Talk to your town. Bring cans with product in them to collection
- Ammunition and explosives:** Call State Police at 271-3636.
- Asbestos:** Contact a licensed asbestos specialist. Asbestos is hazardous to your health — don't remove it yourself!
- Batteries, alkaline:** Most non-rechargeable batteries (AA, AAA, C, D, and 9-volt) are trash in NH. Tape 9-volt terminals before disposal to avoid fire in your trash
- Batteries, automotive:** Take to auto parts store or your transfer station
- Fire extinguishers:** Recycle empty extinguishers (NRRRA takes from towns)
- Fluorescent lights:** May be taken at your town facility. Check with your town. Food Co-ops and Home Depot may take CFLs (spiral bulbs), not tubes
- Latex paint:** Use kitty litter, sawdust, or shredded paper to dry out latex paint; throw in your trash. Empty, dry metal cans may be recycled as scrap metal at your recycling facility. If it says, "clean up with soap and water," it's latex
- Medical sharps:** Place in a rigid container (e.g. detergent bottle), seal cap with duct tape, and label container "SHARPS — NOT FOR RECYCLING" Dispose of with regular trash by handing to a waste collector — can become a projectile if compacted in trash
- Medicine:** See www.twinstatesafemeds.com for police stations taking meds
- Propane or helium tanks:** Propane/helium tanks can be exchanged/refilled at a distributor; or contact town transfer station about empty tanks
- Used motor oil:** Take to town transfer station or a service station for recycling
